Vision Statement

Cryptic Masonry is an organization where men of good character come together to improve themselves, their families, and their communities. It is where the highest Masonic values are learned by its member and applied in all their doings. As Cryptic Masons, we learn a way of life from our ancient teachings, develop meaningful and fulfilling lifelong relationships, and grow as enlightened men. We never hesitate to go out of our way to assist a widow, or a fallen brother.

Furthermore, membership in our Cryptic Councils provides us with a place where we, and our families, can find spirituality and likeminded positive thinkers, and where members of our community can depend on us for stability, leadership, and enlightenment.

A special thanks to RI Mark Harris for his Sweet Song and Musicality.

In particular, I want to acknowledge and thank our Junior Past Grand Master, MI Bill Dann, for having done a wonderful job at the helm of our beloved organization. Notwithstanding two huge personal tragedies he had to face at the beginning of his tenure, he was able to muster the strength and composure needed to fulfill his duties. He showed True Grit. He also served as a mentor to me and I am most grateful.

I also want to thank my photographer extraordinaire, IC Art Walton. He exhibited the patience of Job, while several of us attempted to herd cats for the photo shoot.

Lastly, I would like to thank the following dignitaries from the Grand Lodge of California for honoring us with their presence at our Grand Sessions: MW Ken G. Nagle and MW Frank Louie, PGMs of all Masons-California. A special shout-out to MW Ken who was instrumental in helping us achieve an excellent Installation.

During the time leading up to, during, and after our Grand Officer's Conference, which was held this past March, your Grand Council hammered out a seriously ambitious Business Plan. Our Business Plan called for an updated Mission Statement and Vision Statement, the creation of a Member Satisfaction & Perception Survey to help us ascertain what would motivate our members to increase their participation, and a revised Illustrious Master of the Year Award program in support of my theme for the year, which is: Striving to Increase Participation through Purposefulness and Passion, my three Ps.

Purposefulness is that focused attention that guides our choices. Passion is that emotional content that gives us the fervency and zeal to see it done. Consequently, all of our planning efforts are focused on what we believe to be the Mother of all desired outcomes for the benefit of our Constituent Councils. The overarching outcome is Increased Participation at the Council level.

We believe that by purposely executing certain actions with the positive mindset of increasing participation, instead of the negative mindset of trying to solve problems, you will work toward enhancing the membership experience, which will truly enable you stem

attrition, grow your membership, and increase your revenue. If you continue to do what you have always done, you will always get what you always got! Striving to increase membership, without enhancing the Masonic Experience is a futile effort. We just create a revolving door of volatility in the form of ingress and egress. Meet, Greet, and then we don't see them again. We must focus on our product, the membership experience.

You see, it is daunting to have to resolve individual problems in a disjointed fashion. Isn't it intuitively easier to work toward a desired outcome that unites, or connects all of the dots? Your Grand Council recognizes that the Dais Officers of each Council have many commitments and obligations, and may not have the time to engage in strategic planning. After all, the Planning level of thought is conceptual and is not nearly as glamorous and engaging as the Action level of thought, especially when your attention is divided.

Therefore, as part of our revised Illustrious Master of the Year Award, all Illustrious Masters will be receiving a copy of our Illustrious Master of the Year-Report Card, which is essentially an Action Plan Matrix that was adapted from the Grand Commandery's Cross & Crown Award Program. This matrix includes a listing of recommended actions that if executed with Purposefulness and Passion, will lead to Increased Participation. All each IM needs to do is to choose which actions to take, get their respective Council's support, and develop a plan for its implementation. It can't get any easier than that.

I believe that if each Illustrious Master commits to undertake the responsibility to put in place "Those Things" that will increase participation in their respective councils, the ensuing abundant fruit will result in increased attendance, a magnet for new members, and increased revenue as a by-product. But wait, there's more. Successful implementation of each action listed in the matrix with earn valuable Passion Points. The highest scoring Illustrious Master (IM) for each Department will not only be awarded the coveted IM of the Year Award, but also a monetary incentive in the form of a $100 gift card, as a small token of our appreciation. Furthermore, we are planning to enhance the value of our Officer's School of Instruction, and Leadership Seminars.

More detailed information will be communicated to our Constituent Councils in the coming days via articles our Sword and Trowel publication, email blasts, our DGOs, ADRs and Inspectors. We aim to fire on all cylinders.

Wow! I feel so lucky to have a very strong and engaged team of masonic professionals who have a genuine desire to ensure that the leaders of our constituent councils have the skills, tools, and additional training needed to help them in their Action Plan implementations. I also want you to know that it is truly a great honor and privilege for me to have this opportunity to serve you and this venerable institution. I promise that I will work hard to add value to your Cryptic experience and to earn the trust you have placed in me.

My theme for the year is:

Striving to Increase Participation through Purposefulness and Passion

Purposefulness is that intentionality that leads us towards our desired outcomes, and Passion is that emotional content that gives us the fervency and zeal to see it done. Consequently, all of our planning efforts are focused on what we believe to be the Mother of all desired outcomes for the benefit of our Constituent Councils. That overarching outcome is: **Increased Participation** at the Council level.

As Cryptic Masons, we learn a way of life from our ancient teachings, develop meaningful and fulfilling lifelong relationships, and grow as enlightened men. Furthermore, membership in our Cryptic Councils provides us with a place where we, and our families, can find spirituality and likeminded positive thinkers, and where members of our community can depend on us for stability, leadership, and enlightenment.

Mission

[Directed Energy]

To: As the Grand Council of Cryptic Masons of California, we will aid and support our Constituent Councils in their efforts to spread the Masonic light of reason and civility, not only within the Council, but also throughout Masonry and our respective communities,

In a Way That: that promotes a lifestyle that exhibits a high value for positive interactions, charity for the incapacitated or destitute, and a thirst for continuous personal improvement,

So That: our members become Masonic role models and Masonic ambassadors throughout masonry, and their respective communities, for the purpose of exporting our universal Masonic Values to help our communities to become a better place to live.

Strategy
[Actualized Energy]

- We will be innovative, efficient, and stand together with a united purpose to achieve our very best to serve the needs of our Constituent Councils.
- We will ascertain our member's level of satisfaction pertaining to their Council's leadership team, opening and closing ritual, conferral of degrees, extracurricular internal and external social activities, as well as charitable and community activities.
- Upgrade the Illustrious Master of the Year Award program in a manner that promotes an enhanced Cryptic experience for our members and their families by rewarding achievement with recognition and prizes.

I recently attended a memorial for the father of a Brother, and that same evening learned of another Brother who had recently passed away unexpectedly. Unfortunately, such is the state of our Organization – many of our members are up in years. To be sure though, none of us know when our warranty will expire, and likely some of us will go before our time.

Each time I attend a memorial the feeling of contemplative reflection becomes strikingly present. I ask myself, who would be at my memorial? What would they say? Did I make a positive impression on people during my lifetime? Did I make a difference? Will anyone remember me in a few years or will I just be another nameless face upon the walls of a Lodge? I don't write these questions to be maudlin, but I do believe that each one of them does deserve serious thought. We owe it to ourselves to regularly evaluate the path we are travelling and adjust our trajectory as necessary. As an organization, the Fraternity should also be thinking about how to answer these questions. If Masonry died tomorrow, who would notice? The members for certain, but what would the rest of the world say?

This not to imply that the Fraternity isn't making a difference – it most assuredly is: with Hospitals, Scholarships, donations to catastrophic events, CMMRF and so on. Many great programs that in some cases radically alter a person's life. On the other hand, since we are making a difference, why aren't we flooded with applicants wanting to participate in our worthy efforts? Maybe the philanthropies aren't the draw at all, since donating money to a cause takes very little effort. Maybe people would rather spend time in an organization that teaches them something. I don't pretend to know the answer, but I do know that we must keep evaluating ourselves and trying to make the York Rite better.

One major difference between the York Rite here and the York Rite in other locales is the speed in which one progresses through the degrees. I don't propose the change how we confer degrees in weekend festivals, but I have an idea which I believe might give us something close to the best of both worlds. I haven't discussed it with others, but I would like to hear everyone's input.

My idea is to confer a degree following a quick stated meeting. At the following stated meeting, with our new members, we could hold a panel discussion regarding the degree that had just been conferred. Obviously, these conferrals would be independent of our regular festival schedule, so we would need a dedicated group willing to learn the degree ritual. This would make our candidates feel close to us as companions with a home. I'm very interested in your feedback by phone, email, in person, or even by smoke signal! Remember, this is only an idea and would require agreement and support by the officers and members. Maybe, it isn't an interesting or useful thing to do at all, but I think it is worthy of discussion. Rest assured though, I am regularly evaluating my path and trying to be a positive influence on the Fraternity.

Now, you may ask, what does all of this about conferring degrees beyond our usual one has to do with attracting members? My thesis is this: in order to attract new members, we must first be more effective in attracting the ones we already have. Once we are again able to fill a Lodge room, more applicants will (hopefully) be the natural result, because we won't be able to contain our excitement about going to a meeting!

Guy and Jeanne Chalmers

Bio - Professional, Masonic, and Life in general:

Guy was born in Lincoln, Nebraska, in 1950, raised in Kansas City, Missouri, and grew up in California. Jeanne was born in 1954 and raised in Dearborn, Michigan.

After two years of college, Guy found his life's occupation as a carpenter. Working in cabinet shops and on boats, he realized his talent building single family, custom homes. At the age of 27 he met his future wife in San Francisco. In 1979 they were married and lived in a small house in the forest of the San Geronimo valley. One month before they were married, they bought a small bungalow style house west of Petaluma where they still live happily married 40 years later. Unable to have children, spare time was travelling to Europe, Mexico and Central America, but mostly all over the United States. Jeanne's occupation has primarily been as a bank manager, with some experience as executive secretary and marketing.

After an early retirement from the rigors of carpentry, Guy joined a country lodge in Bloomfield named Vitruvius #145, raised a master mason in 1996, and advanced to become Master of the Lodge in 2001. Next he was Master of the Northern California Research Lodge in 2002 and was active in the education committee of Grand Lodge. He affiliated with Petaluma-Hamilton #180 in 2008, serving as Treasurer until he was asked to serve as Master in 2011, and again in 2016, and is currently the Secretary. He has been the presiding Officer of the three York Rite bodies in Sonoma County several times. He is proud to be a Past Prior of San Francisco Priory #38, KYCH. He is a Past Sovereign Master of Britannia Council #303, AMD, now serving as the Secretary. He has happily organized the Comptche Outdoor Royal Arch Degrees in Mendocino County for the last 19 years. He was accepted into the St. Phillip chapter of the Red Cross of Constantine in Oakland in 2013. The highlight of his masonic career so far is his appointment to the line of the Grand Council of Cryptic Masons in 2015, this year as the Grand Conductor of the Council, anticipating advancing to Grand Master in 2022.

Editor's Thoughts

Our Illustrious Grand Master or Thrice Illustrious Grand Master, Thrice Illustrious sounds better but long ago we changed the name to Illustrious Grand Master. Anyway, under no circumstance we will not hear talk of Impeachment, he worked long, hard, & ate many dinners to become Illustrious Grand Master.

Meaning of Thrice Illustrious, which is easier to guess than the meaning of mysterious nine, you have occupied the Master's Chair Three Times, Lodge, Chapter, and Council.

We also have new marching orders or better known as Illustrious Grand Master Message and please read as this was not dreamed up overnight.

I raise my glass of Maker's Mark to the Grand Council Cryptic Masons of California and to each Council Comprising the Grand Council Cryptic Masons of California may we grow individually as Masons, as Fathers, as Community Workers
